Springer Nature
in collaboration with
INFLIBNET Centre
is organizing a webinar on

**The people and the principles behind Nature –
the what, the why and the how”**

for **e Shodh Sindhu Consortium member institutions**
on **18TH JUNE at 2.30 PM**

SPEAKER –

Dr. Magdalena Skipper, Editor in Chief, *Nature* and Chief Editorial Advisor, Nature Research.

“

Dr Magdalena Skipper is Editor in Chief of *Nature* and Chief Editorial Advisor for Nature Research. A geneticist by training, she holds a PhD from University of Cambridge, UK. She has considerable editorial and publishing experience, having worked as Chief Editor of Nature Reviews Genetics, Senior Editor for genetics and genomics at Nature and Editor in Chief of Nature Communications. She is passionate about mentorship, research integrity in science and innovation in science publishing. As part of her desire to promote underrepresented groups in research, in 2018 she co-launched the Nature Research Inspiring Science Award for early-career female researchers.

”
